

Prospective Sponsor,

The Ashtabula Distance Runners Club is looking for sponsors for its youth track and field and cross country programs for the 2020 year. The program, which began in 2019, is designed to introduce the sports of track and field and cross country to children that are elementary school aged and give them an opportunity to compete at the local, regional, and national levels. Money raised through our fundraising efforts would be utilized to purchase needed equipment and supplies and also help cover travel costs and lodging when we participate in various meets throughout the year.

Our first fundraising race is the Run for Kids, which will take place on April 25th 2020. This race takes in Geneva State Park in Geneva Ohio. This races funds for our youth track program.

The second fundraising race of the year is the Bill Tobias Memorial 2 mile race, which takes place on August 7th 2020 at Conneaut Township Park in Conneaut Ohio. This race raises money for our youth cross country program. The race serves a memorial to Bill Tobias, a military veteran, and a man who was active in our running community, active coaching youth, and encouraged others to push beyond their conceived limits to better themselves physically and mentally.

We have various levels and opportunities for sponsoring our program throughout the year. New this year, we will be selling 1000 supporter cards throughout the area for 10 dollars. For 75 dollars, your company can list a discount or promotion on the back of the card. Our goal is to make sure our team and community supports the people that support us.

Attached you will find information pertaining our sponsorship opportunities and the events we are hosting in our fundraising efforts. Checks can be written to Ashtabula Distance Runners and your contribution is tax deductible. If you have any questions, please feel free to contact me. Thank you for your support and helping the kids accomplish their dreams.

Sincerely,

Luke Stecki
